There will also be a

Mandatory Graduation Rehearsal
At 1:00 pm (Thursday, June 25th)
Athletics and Events Center, Ithaca College

Students may take buses from IHS to IC for the rehearsal. These buses will depart at about 12:30 pm and leave IC at about 2:15 to return to IHS. No buses for Graduation.

There is no limit to the number of guests per student. No tickets are required or handed out. We want to make sure that everyone has the ability to see his or her favorite student walk across the stage.

Jostens (the company from which we get caps and gowns) will come to the school to take students’ orders in January. One of each student’s teachers will pass out a packet from Jostens during class well before this date, and families should receive a mailing from Jostens as well. If a student misses the opportunity in January, the family will be responsible for contacting Jostens to place the order.

Caps and gowns can be re-used only if they are from the 2010, 2011, 2012, 2013 or 2014 ceremonies. Please do not re-use gowns from other years; they will clash surprisingly badly.

There are a certain number of donated (used) caps and gowns in Activities at IHS. These will be available to students on free or reduced lunch first before Dec. 19. The remainder will then be offered to other students on a first-come, first-served basis. Students need to listen to announcements and be aware of signs advertising this opportunity.

Accommodations for the hard of hearing or mobility impaired at Commencement will be provided. More details will follow in the coming months.
